

TANF Age/School Requirements for Dependent Children

Is child 17 or younger?

Yes

Children 17 and younger meet age requirements regardless of school

No

Is child 18 and attending High School or equivalent?

No

Ineligible.
18 year olds are ineligible once they are no longer attending High School or equivalent full-time (e.g., once they graduate from High School or drop out). Cooperation with JOBS at age 18 does not make a child eligible.
