PURPOSE

413-100-0000 The purpose of these rules is to set forth the procedures and criteria the agency will use to make Title IV-E-FC federal financial participation eligibility determinations for children in substitute care and in the care and custody of the State Office for Services to Children and Families.

Statutory Authority: ORS 418.005

Stats. Implemented: Title IV-E of the Social Security Act

POLICY

ELIGIBILITY REQUIREMENTS

413-100-0010 (1) Public Law 96-272, the Adoption Assistance and Child Welfare Act of 1980, became effective June 17, 1980. It amended Title IV of the Social Security Act to establish a new Part E, which provides for federal payments to the states for foster care maintenance and adoption assistance payments made on behalf of certain

eligible children. Title IV-E eligible children are categorically eligible for Medicaid.

(2) The Administration for Children and Families is the federal agency that sets regulations and monitors the Title IV-E foster care and adoption assistance programs. Title IV-E is administered by the State Office for Services to Children and Families of the Department of Human Services. The agency acts as an applicant for the child and provides Title IV-E foster care payments to providers on behalf of eligible children within:

(a) The guidelines established by state and/or federal legislation for the program;

(b) The established financial standards of the AFDC program in effect July 16, 1996;

(c) Certain state and/or federal regulations and statutory requirements as defined in AFS rules 461-101-010 through 461-195-0660 and 461-02-0920 in effect July 16, 1996, for AFDC recipients which also apply to the Title IV-E-FC eligible foster child who derives his/her eligibility from the AFDC program.

(13) "Earned Income": Income produced as a result of services which the client performed.

(15) "Entitlement": Any benefit to which an individual has a valid claim, or would

have a valid claim upon application, including one related to past employment or service, pension, compensation payment, allotment allowance insurance payment, interest in an estate or fund, or of a similar nature.

(16) "Family": For purposes of determining Title IV-E-FC eligibility, family is the parent(s), stepparent(s), or relative(s) from whom the child is removed.

(17) "Foster Home": ORS 418.625(2) defines a foster home as one maintained by a person who has under his care a child unattended by his parent and not related by blood or marriage.

(18) "Foster Care (ASFA): Foster Care means 24 hour substitute care for children placed away from their parents or guardians and for whom the State agency has placement and care responsibility. This includes, but is not limited to placements in foster family homes, foster homes of relatives, group homes, emergency shelters, residential facilities, child care institutions, and pre-adoptive homes. A child is in foster care in accordance with this definition regardless of whether the foster care facility is licensed and payments are made by the State or local agency for the care of the child, whether adoption subsidy payments are being made prior to the finalization of the adoption, or whether there is Federal matching of any payments that are made.

(19) "Grant": Is the actual assistance payment for the payment month.

(22) "Need": The monetary amount by which the requirements of AFS standards of an individual or family exceed all income and resources available to them.

(23) "Nunc Pro Tunc Orders": Under Oregon law, the role of a nunc pro tunc order is to supply an omission in the record of action actually taken, but omitted through inadvertence or mistake. Nunc pro tunc are acceptable to correct the omission of a "best interest" or "reasonable efforts" ruling in the original removal order only when court transcripts are available to verify that the judicial determination was made at the original removal hearing.

(24) "Parent": For IV E purposes "parent" means the birth or legal (step or adoptive) mother or father of a person or unborn child.

(a) If the mother lives with a male and either she or the male claims that he is the father of the child/unborn, and no one else claims to be the father, he is

treated as the father even if paternity has not been legally established.

(b) A stepparent relationship exists if:

(A) The person is legally married to the child's birth or adoptive parent; and

(B) The marriage has not been terminated by legal separation, divorce or death.

(c) A legal adoption erases all prior legal and blood relationships and establishes the adoptive parent as the legal parent. However, the birth parent is also considered a parent if both of the following are true:

(A) The child lives with the birth parent; and

(B) The legal parent (the adoptive parent) has given up care, control and supervision of the child.

(25) "Payment Standard/Needs Standard": This is the amount set by AFS as the ADC net income limit. It is used to determine the actual grant amount. This amount refers to the "Payment/Need Standard" in effect 7-16-96.

(26) "Personal Property": Everything owned which is not real property including liquid asset.

(27) "Physical Removal": the removal resulting when the child is placed in substitute care and was living with the "specified relative" at time of the voluntary placement/custody agreement or initiation of court proceedings.

(31) "Resource": Any personal or real property which is or can be made available to meet the need of the assistance unit and is not specifically excluded from consideration by AFS.

(32) "Shelter In-Kind": Shelter paid by an agency (other than AFS) or someone other than the client pays (or provides payment) for the client's rent and utility bills, totally, and at no cost to the client and the client provides no service in exchange for the payment.

(33) "Specified Relative for Title IV-E Removal Purposes" is defined as a:

(a) Birth, adoptive, or stepparent;

(b) Any blood relative or half-blood relative, including persons of preceding generations denoted by the prefixes of grand, great, or great-great (Children with one common birth parent are half-blood relatives);

(c) Aunts, uncles, first cousins, first cousins once removed;

(d) Persons who legally adopt a child and any people related to the child through the adoption who meet the degree of relationship specified in this rule. A valid decree of adoption establishes the adoptive parent(s) as the legal parent(s) and erases all prior legal and blood relationships;

(e) Stepmother, stepfather, stepbrother, or stepsister, even after marriage is terminated by death or divorce; or

(f) Spouse of anyone listed above, even if the marriage has been terminated by death or divorce.

The Adoption Assistance and Child Welfare Act of 1980 (P.L. 96-272) was enacted on June 27, 1980, and established the new Title IV-E program, replacing Oregon's Title IV-A foster care program on June 1, 1981.

(36) "Unearned Income": All income which does not directly result from an individual's employment or self-employment.

CERTIFICATION DOCUMENTATION REQUIREMENTS FOR TITLE IV-E

413-100-0030 (1) Children found eligible for Title IV-E-FC must be placed in a certified foster home. Title IV-E may be claimed for the period of time between the date a prospective foster family home satisfies all certification requirements and the date the actual certificate is issued, not to exceed 60 days. The following documentation is required for children in out-of-state placements:

(a) Verification that the out-of-state foster home or child caring agency is certified, licensed or approved by the agency in that state which is responsible for licensing or approval of such facilities; or

(b) In states where relative homes are not certified, a statement in writing that the home would meet the state's licensing standards for certification or licensure, including a statement of the period of time for which a formal license or certificate would be issued for that home.

PLACEMENT IN RELATIVE HOMES

413-100-0040 (1) Relative Payments. Foster care maintenance payments to relatives are restricted by ORS 418.625. Children in relative foster care must be Title IV-E eligible to receive a foster care maintenance payment with the exception of an Indian child. (The Tribal enrollment committee must verify that the child is enrolled as a member of a federally recognized tribe or eligible for enrollment.) State general fund foster care payments may be authorized for these Indian children in relative foster care but found ineligible for Title IV-E.

(2) Relative Placements. With the exception of Indian children, children in the following homes must be found Title IV-E eligible for the relative to receive foster care maintenance payments:

(a) The home of any blood or half blood relative or adoptive relative, including persons of preceding generations denoted by the prefixes of grand, great, or great-great. Children with one common birth parent are half-blood relatives;

(b) The home of siblings, aunts, uncles, first cousins, first cousins once removed, nephew, or niece, and grandparents;

(c) The home of a relative, as defined in (a) of this rule, of adoptive parents. A valid decree of adoption establishes the adoptive parent(s) as the legal parent(s) and erases all prior legal and blood relationships;

(3) Relative Foster Care Provider Rights. The relative foster care provider has

a right to:

(a) Information about the Title IV-E foster care maintenance program administered by the agency, including the eligibility requirements of the program and the required verification methods for providing verification;

(b) Apply for Title IV-E foster care maintenance payments for the financial support of the related child in their care;

(c) Receive these benefits without discrimination when the related child in their care meets the eligibility requirement of the Title IV-E foster care program and the home meets foster care certification requirements.

(4) Request for Payment. The relative foster care provider may contact the agency with a request for Title IV-E payments. Their request for Title IV-E foster care maintenance payments may be in the form of a phone call, visit or written request by the relative provider or another person acting on the relative provider's behalf. This request starts the application process. The date of request is the day the request for foster care payments is received. That date will be recorded by the Eligibility Specialist on the narrative and used to establish:

(a) The date for starting the application processing time frame; and

(b) The earliest date for which Title IV-E eligibility may be established.

(5) Eligibility Determination Time Lines. Eligibility will be determined within 45 days from the date of request for benefits. The limit may be extended for any of the following reasons:

(a) Information needed to determine eligibility is expected to be received after the 45 day limit; or

(b) Other circumstances exist that are not within the control of the client or the branch office, and this delays the eligibility decision past the 45 day limit.

(6) Notification of Closing or Denial of Relative Payment. The eligibility worker will send written notification to the relative provider at least ten days prior to the effective date of termination of payments when a child is no longer Title IV-E-FC eligible. Notification of denial will also be sent to relative(s) requesting foster care maintenance payments when a child placed in their home does not meet the requirements of the Title IV-E-FC program.

(7) Should relatives not agree with the closure or denial of Title IV-E foster care maintenance payments and medical coverage, a conference with the State Office for

Services to Children and Families branch staff may be requested. The conference will provide relatives the opportunity to:

- (a) Discuss the decision;
- (b) Get an explanation of the specific reasons for the action; and
- (c) Explain why they feel the action should not be taken.

(8) Relatives also have the right to ask for an Administrative Hearing before an impartial person designated as an authority on the federal eligibility requirements of the Title IV-E Foster Care and medical programs. The purpose of such a hearing is to determine if the branch's Title IV-E foster care eligibility determination decision is in compliance with the guidelines established by state and/or federal legislation for the program. If the hearing decision is that Title IV-E foster care maintenance payments and medical coverage have been wrongfully denied or terminated, corrective payment action will be taken.

(9) Whether relatives request a conference with branch staff, or an Administrative Hearing, witnesses may testify on their behalf and legal counsel or other representatives may be present. The State Office for Services to Children and Families will not pay the expenses of witnesses attending or of an attorney.

(10) Whenever a client or the client's authorized representative clearly expresses a desire to have a hearing, orally or in writing, the client has requested a hearing. The Eligibility Specialist will document the hearing request date on the narrative.

(11) Relatives may make a written or oral request for an Administrative Hearing to either their local branch office or the Central Office. Requests for an Administrative Hearing must be made within 45 days of the date of notice of closure or denial of Title IV-E foster care payments and medical coverage.

PLACEMENT IN UNRELATED HOMES

413-100-0050 (1) Unrelated Home. Certification of the home is required when children are placed in the home of a person formerly related by blood or marriage. The following homes meet SOSCF's definition of an unrelated home. General Fund foster care payments may be made to the following certified homes:

(a) The home of a person formerly related to the child by marriage when:

(A) The relationship by marriage was terminated by death or divorce;

(B) The child was not adopted by a step-parent prior to the dissolution of the marriage or death of the natural or adoptive parent. A child's relationship to his/her step-parent ends 30 days after the entry of a divorce decree.

(b) The home of a person no longer related to the child by blood, with the exception of the birth parent. Blood relationships end when the child is legally adopted by another family. A valid decree of adoption establishes the adoptive parent(s) as the legal parent(s) and erases all the prior blood relationships of siblings, unless also adopted by the same adoptive parents, and extended family members.

(c) The home of a putative paternal relative. A paternal relationship by blood does not exist when:

(A) There is no court order establishing paternity or no evidence of such an order having been submitted to Vital Statistics; or,

(B) The father's name is not on the birth certificate. (Only the birth certificate issued by Vital Statistics will provide proof of paternity having been established by the court. The hospital certificate giving the father's name is not sufficient evidence of paternity.); or

(C) The putative father signed relinquishment papers without ever having signed a stipulation of paternity. (The Division of Child Support does not recognize the signing of a stipulation of paternity without the mother agreeing that the man is indeed the father. The HS 21 form jointly signed by the mother and putative father is a legal document which establishes paternity and allows the father's name to be added to the birth certificate.)

(2) Non-IVE Reimbursable Placements. Children in the following relative homes are ineligible for IV-E foster care maintenance payments:

(a) The home of a birth parent even after adoption or termination of parental rights;

(b) The home of the specified relative from whose custody the child was removed;

(c) The home of a relative when the child's parent resides under the same roof;

(d) The home of a step-parent when the birth parent and step-parent are separated, but not divorced;

(e) The home of a relative when the relative has legal custody;

(f) The home of a relative that is not fully certified.

Statutory Authority: ORS 418.005

Stats. Implemented: Title IV-E of the Social Security Act

REIMBURSABLE PLACEMENTS AND PAYMENTS

413-100-0060 (1) Reimbursable Placements. There are five types of out-of-home placements which meet the Title IV-E definition of a reimbursable placement. They are:

(a) A certified foster family home;

(b) A private, non-medical group home or crisis residential center licensed by the state;

(c) A public non-medical group home or child-care facility which has a licensed capacity of less than 26 beds;

(d) A pre-adoptive placement; or

(e) A certified relative foster home.

(2) Reimbursable Payments. Title IV-E foster care maintenance payments for a child in foster care may cover:

(a) The cost of (and the cost of providing) food, clothing, shelter, daily supervision, school supplies, a child's personal incidentals, liability insurance with respect to the child, and reasonable travel to the child's home for visitation; and,

(b) In the case of institutional care, the reasonable costs of administration and operation of such institution as are necessarily required to provide the items noted above.

APPLICATION FOR TITLE IV-E-FC

413-100-0070 (1) Children in the care and custody of SOSCF and in substitute care will be referred for a Title IV-E-FC eligibility determination.

(2) Under no circumstances is Title IV-E-FC to be authorized on behalf of any child prior to the establishment of eligibility by SOSCF's eligibility worker. A child cannot be eligible for Title IV-E-FC on the basis of presumed eligibility.

(3) Applications will be submitted to eligibility workers under the following timelines:

(a) No later than three working days after a child's placement with a relative provider, unless the relative declines foster care payments;

(b) No later than 14 working days after a child's placement in regular paid care. (No application is required when children leave care on or before the seventh working day.)

RETROACTIVE ELIGIBILITY

413-100-0090 (1) A claim for retroactive eligibility may be made on otherwise eligible cases when:

(a) A nunc pro tunc order is issued giving retroactive effect to the judicial findings included in the order and documentation meets the requirements outlined in rule 413-100-0240(6); or

EFFECTIVE CLOSURE DATE

413-100-0110 The effective date of termination for cases no longer meeting Title IV-E-FC eligibility criteria will be the earlier of the following:

- (2) Retroactive to the end of the month in which eligibility ceased to exist even though information causing the child's ineligibility became known to the agency after the fact;
- (3) The day the parent(s), custodial or non-custodial, establishes residency in the home where their child resides;

VERIFICATION OF ELIGIBILITY

413-100-0120 (1) To establish Title IV-E-FC, eligibility factors must be verified with documentary evidence acceptable for verification. The agency decides which eligibility factors require verification and what the acceptable type of verification are. The agency may:

- (a) Decide that additional eligibility factors must be verified;
- (b) Deny an application or end ongoing benefits when acceptable verification is not provided or available.

(2) Verification is required for the following:

ELIGIBILITY DETERMINATIONS

413-100-0130 (1) Title IV-E eligibility is determined on a one-time basis when the child enters substitute care. Children removed from the home of a parent/specified relative must meet specific eligibility requirements.

(2) The agency will reconstruct the case facts in the eligibility month to determine if the child was receiving AFDC, or might have been eligible for AFDC rules in effect July 16, 1996, had an application been made.

(a) AFDC Relatedness. The child meets the AFDC relatedness test if one of the following three criteria is met:

(A) The child was in receipt of AFDC rules in effect July 16, 1996, in the eligibility month, and remains within the resource limits that were in effect prior to the implementation of the Oregon Options Waiver under Section 1115 of the Soc. Sec. Act effective (7-1-96);

(B) The child was eligible to receive AFDC rules in effect July 16, 1996, in such month, if an application had been made; or

(C) The child did not live with the AFDC specified relative in such month, but did live with such a relative in any of the preceding six months; and would have been eligible to receive AFDC rules in effect July 16, 1996, during the eligibility month had an application been made.

(b) Circumstances defining AFDC eligibility or hypothetical AFDC rules in effect July 16, 1996, for Title IV-E purposes are:

- (A) Living with a specified relative;
- (B) Deprived of the support of one or both parents;
- (C) Financial need;
- (D) U.S. citizen or qualified alien; and
- (E) Age.

Stats. Implemented: Title IV-E of the Social Security Act, ORS 418.163

LIVING WITH A SPECIFIED RELATIVE

413-100-0135(1) To meet the Title IV-E requirements for living with a specified relative prior to removal from the home, one of the following situations must apply:

(a) The child was living with a specified relative, and was AFDC (rules in effect 7-16-96) eligible in that home in the month of the voluntary custody/placement agreement or initiation of court proceedings;

(b) The child had been living with a specified relative within six months of the month of the voluntary custody/placement agreement or the initiation of court proceedings, and the child would have been AFDC (rules in effect 7-16-96) eligible in that month if she/he had still been living in that home; or

(c) The child was hospitalized under parental custody and released into SOSCF custody for placement purposes. Such children will be considered to have lived with the parent regardless of the length of the child's hospitalization.

(2) Removal Requirements. The Title IV-E eligibility rules require that the child be removed from the home of a specified relative as defined in OAR 413-100-0020. For the purposes of meeting Title IV-E requirements, a removal from the home must occur pursuant to:

(a) A voluntary custody/placement agreement entered into by a parent/specified relative which leads to a "physical" or "constructive" removal of the child from the home; or

(b) A judicial order for a physical or constructive removal of the child from a parent/specified relative.

(3) For Title IV-E purposes, the following will be designated as removal homes;

(a) Physical Removal

(A) The home of a parent/specified relative when the court action or voluntary custody/placement agreement results in the removal of the child from the custody of the parent/specified relative and the child is living with the parent/specified relative at the time of initiation of court action.

(b) Constructive Removal

(A) The home of a parent when the child was left in the home of a relative and the court action or voluntary custody/placement agreement results in the removal of the child from the custody of the parent. As long as the child has resided with the parent within 6 months of initiation of court action the "constructive removal" requirement is met.

(B) The home of a parent when the parent and the child reside in a relative home and the parent leaves the home leaving the child in the home of the relative. As long as the child has resided with the parent in the home in the last six months and the court action or voluntary custody/placement agreement results in the removal of the child from the custody of the parent(s) the "constructive" removal from the parent's home requirement has been made.

(C) The specified relative home where the child last resided when the child is living with a non-related caretaker (or on the streets). The child must have lived with a specified relative within six months of initiation of court action or signing of a voluntary custody/placement agreement pertaining to the removal from the specified relative. If not, eligibility for Title IV-E is denied based on not meeting the specified relative requirement.

(4) The child is not considered to be removed from the home of a specified relative and Title IV-E eligibility does not exist when:

(a) Court action initiated, or the signing of a voluntary custody/placement agreement, for purposes of placing a child in SOSCF custody results in the removal of the child from the custody of the parent(s) or other specified relative, but the child remains in that home; or

(b) A child previously denied Title IV-E due to court action not resulting in the child's physical or constructive removal from the home of the specified

relative is moved from the home of that specified relative foster parent and moved into another placement; or

(c) A child has not lived with a specified relative within 6 months prior to the initiation of court action or signing of a voluntary custody/placement agreement.

PARENTAL DEPRIVATION

413-100-0150 A continued absence of one or both birth or adoptive, or stepparent(s) from the home constitutes the basis for deprivation of parental support or care. Deprivation in relation to the home from which the child is removed exists when there is:

(1) **Death.** If either parent is deceased, the child is deprived of parental support or care.

(2) Continued Absence.

(a) The parent is out of the home and the nature of this absence is such as to either interrupt or terminate the parent's functioning as a provider of maintenance, physical care, or guidance for the child; or

(b) There is evidence of continued absence of over 30 days duration; or

(c) Predictable absence due to divorce, legal separation, incarceration, and other verified and documented circumstances.

(3) **Unemployment or Incapacity.** For two-parent families with no absent parent, deprivation must be based on one of the following;

(a) **Incapacity.** One parent must meet one of the following criteria:

(A) Receives Supplemental Security Income (SSI);

(B) Receives Social Security Benefits (SSB) based on disability or blindness;

(C) Is unable to work or has a physical or mental condition that is expected to last at least 30 days and substantially reduces the parent's ability to support or care for the child.

(b) Unemployment or underemployment. Consider a two-parent household unemployed or under employed if they meet one of the following criteria:

(A) Is working less than 100 hours per month;

(B) Has a temporary one-month increase to over 100 hours, but:

(i) Worked less than 100 hours in each of the two previous months; AND

(ii) Is expected to work less than 100 hours in the following month. (IV-A)

FINANCIAL NEED

413-100-0160 A child removed from the home of a specified relative who was not receiving AFDC requires reconstruction of the child's situation to determine whether AFDC eligibility (rules in effect July 16, 1996,) was possible. A step-by-step process must be followed.

(1) Child is removed from a parent's home:

(a) First consider the income and resources of the parent(s) or stepparent from whom the child was removed; and

(A) Determine the countable gross earned and unearned income of all the family members in the assistance unit in the eligibility month; and

(B) Include the child placed in substitute care in the assistance unit. Exclude the parent or child receiving SSI or a combination of SSI and other Social Security benefits.

(b) The next consideration in the income eligibility determination process is to:

(A) Determine the countable gross earned income with disregards and countable unearned income of all the family members in the assistance unit, including the child(ren) who has/have been removed;

(B) An assistance unit is not eligible when all available countable income in the eligibility month, both earned and unearned, exceeds the Adjusted Income Payment/Need Standard (rules in effect July 16, 1996.) (SSI or a combination of SSI and SSA benefits are excluded as countable income.) (The first Needs Standards from July 16, 1996, \$50 of child support is also excluded.) The Adjusted Income Payment/Need Standard is used to determine the actual ADC grant amount;

(C) An assistance unit is not eligible if in the eligibility month all available resources not excluded by AFS Rules (in effect July 16, 1996,) are over the Resource Limit.

(2) Child Removed from a Specified Relative's Home which is not a parent. When a child is removed from a caretaker relative's home the steps of the eligibility determination process are to:

(a) Disregard the income and resources of the caretaker relative(s);

(b) Determine the countable earned and unearned income and resources available to the child;

(c) Include the child placed in substitute care in the Assistance Unit;

(d) Deny Title IV-E eligibility if the child's income is above the No Adult Standards for the ADC Non-Needy Relative Assistance Unit in effect July 16, 1996.

(3) Child Removed from a Minor Mother Residing in her Parent(s)' Home.

(a) A minor child is considered to be any person under the age of 18 who has not been emancipated by a court of law, married, or a member of the Armed Forces of the United States. When a child is removed from a minor mother residing in her parent(s) home, the first step of the eligibility determination process is to:

(A) Exclude the resources of the parent(s) of the minor mother;

(B) Determine the amount of countable income of the parent(s);

(C) Deduct the needs of the parent(s) and their dependents living in the same household at the ADC Adjusted Income Payment/Need Standard in effect July 16, 1996. Do not include the minor mother and her child in the assistance unit;

(D) Allow the standard earned income deduction;

(E) Deduct payments of alimony or child support;

(F) Any remaining income is considered available to the minor parent and their dependent child even if it is not received.

(b) The second step of the eligibility determination process is to:

(A) Determine the minor mother and her child's needs at ADC Adjusted Income Need Standards in effect July 16, 1996;

(B) Deduct the grandparent's income available to the minor parent from the ADC Adjusted Income Need Standard in effect July 16, 1996;

(C) Deny Title IV-E eligibility if the grandparent's income exceeds the Need Standard for the minor parent.

NEED AND RESOURCES

413-100-0170 (1) The resource limit is \$10,000.00. An assistance unit with resources in excess of \$10,000.00 is ineligible for AFDC. The most common resources are cash, bank accounts, motor vehicles, and Federal and State Income Tax refunds.

(2) If an ADC assistance unit has a licensed motor vehicle, only the first \$1,500 of equity value of the vehicle is exempt. Any equity over \$1,500 is counted toward the \$10,000.00 resource limit.

(2) Earned income is not counted for:

(a) A child, 18 years old or younger, who is a full-time student in grade 12 or below (or the equivalent level of vocational training or GED courses); or

(2) The following are examples of countable unearned income:

(a) All Social Security benefits;

(b) Veteran's benefits;

(c) Loans;

(d) Cash contributions from any source;

(e) State or private accident or disability payments;

(f) Personal injury settlements;

(g) Lump sum income (except SOIL and IRS recoveries and lump sum support payment applied in the month of receipt to offset prior months Title IV-E maintenance costs);

LUMP SUM BENEFITS

Federal lump sum benefits paid into the agency must be applied retroactively to reimburse the agency from the date paid placement was initiated. The agency must be the representative payee. This can be accomplished by contacting SOSCF's Child Benefit Unit.

(2) Title IV-E-FC eligible children receiving lump sum benefits are considered eligible, but unreimbursable for Title IV-E during the months the calculated lump sum exceeds their maintenance payment.

JUDICIAL FINDING REQUIREMENTS

413-100-0240 (1) Best Interest Requirement. A child's removal from the home must have been the result of a judicial finding (unless the child was removed pursuant to a voluntary/ custody placement agreement) to the effect that continuation of residence in the home would be contrary to the welfare, or that placement would be in the best interests of the child. The Contrary to the Welfare or Best Interest determination must be made in the first court ruling that sanctions (even temporarily) the removal of a child from home. (This includes pickup orders and detention orders)

(a) Should the court fail to make a "Best Interest" or "Contrary to the Welfare" ruling in the first order issued at the time of the removal, the case will be denied IV-E eligibility for the duration of the child's substitute care placement.

(2) Reasonable Efforts Requirement: Effective March 27, 2000 in order to satisfy IV-E eligibility requirements there must be a judicial determination that:

(a) Reasonable efforts were made to prevent a child from being removed from the home OR;

(b) Reasonable efforts are/were not required due to aggravating circumstances to prevent the child's removal from home AND;

(c) Reasonable efforts were made to finalize a permanency plan;

(3) Timelines for Reasonable Efforts Judicial findings:

(a) Timeline for Judicial Finding of Reasonable Efforts to Prevent Removal from the Home. The judicial finding as to whether reasonable efforts to prevent the child's removal were made, or were not required due to aggravating circumstances, must be made no later than 60 days from the date the child is removed from the home.

(A) If a judicial finding regarding reasonable efforts to prevent removal from the home is not made within the time frame outlines in (a) above the child is not eligible under the Title IV-E foster care maintenance payments program for the duration of that stay in foster care.

(b) Timeline for Judicial Finding of Reasonable Efforts to Finalize a Permanency Plan. Within twelve months of the date the child is considered to have entered foster care and every twelve months thereafter a judicial finding is required that reasonable efforts have been made to finalize the permanency plan whether the plan is to return safely to the family or another permanency plan.

(A) If a judicial finding regarding reasonable efforts to finalize a permanency plan is not made within the time frames outlines in (b) above, the child becomes temporarily ineligible under Title IV-E from the end of the twelfth month following the date the child entered foster care. The child's Title IV-E eligibility remains temporarily unreimbursable until the first of the month in which such a finding is made.

(B) For subsequent hearings the child becomes ineligible the end of the month in which the twelve month hearing was due when the hearing is not held on time or the end of the month a hearing is held which results in a "no Reasonable Efforts" finding whichever is earlier. The child's Title IV-E eligibility remains temporarily unreimbursable until the first of the month

in which such a finding is made.

(4) Orders Reflecting Recommended Placements. The court order must also:

- (a) Recommend, not specify placement with a particular individual; and
- (b) Allow the agency to make decisions about a change in the child's placement without further court approval; or
- (c) Reflect that the court was advised of, and approved, placement or the agency's intent and case plan to place the child at a future date.

(5) Nunc Pro Tunc Orders. Nunc pro tunc are acceptable to correct the omission of a "best interest" or "reasonable efforts" ruling in the original removal order only when court transcripts are available to verify that the judicial determination was made at the original removal hearing.

(6) Replacement Orders. Each time a child is removed from the home in the following instances, a new eligibility determination and a judicial review addressing the circumstances of the child's removal is required regardless of whether the child is already committed to the agency's custody:

- (a) The case plan was for the child to remain in the parental home; or
- (b) New circumstances or issues arose in the parental home causing the child's replacement; or
- (c) The child was under agency supervision and removed from the legal care, custody, and placement of a relative; or
- (d) A child in a legally finalized adoptive placement is returned to care; or
- (e) When a trial home visit extends beyond 6 month unless the court orders a longer trial home visit.

(7) Exceptions to Replacement Orders. Some Title IV-E-FC eligible children, moved while in care or with interruptions or delays in placement, require no new application or new judicial findings for Title IV-E-FC. The eligibility factors of deprivation, limited income and resources available to the child, and school registration for the 18 year old must still exist, to reopen or continue Title IV-E eligibility. Eligibility may be reopened or established effective the day the child enters paid care for the following otherwise eligible children:

- (a) Children moved from a paid or non-paid relative placement into family

foster care and/or

(b) Children at home awaiting a residential opening and the court has approved placement in a residential facility and/or

(c) Children on the run or taken by the parent without SOSCF's permission are located in the home of the parent and immediately returned to care and/or

(d) Children on the run are located in the home of the parent and are allowed to remain there for a reasonable time, with the worker's consent, until a placement becomes available and/or

(e) Children with interrupted placement resulting from:

(A) A runaway; or

(B) Placement in a detention facility or a juvenile training school; or

(C) Hospitalization.

(f) Children returned to care from the parental home when a trial visit fails. A judicial review is not required for a failed trial visit under the following situations:

(A) SOSCF custody, Administrative Reviews and Permanency Hearings were continued during the trial visit period; and

(B) At the time the child was sent home, the case record narration or documentation designated that the child's return home was on a trial visit basis; and

(C) The duration of the trial visit was no longer than six months unless the court orders a longer trial home visit.

(g) Children in continuous placement and returned by court order to the care and custody of SOSCF from the custody of a private agency or substitute care provider.

VOLUNTARY CUSTODY/PLACEMENT AGREEMENTS

413-100-0250 Children in placement based on the signing of a Voluntary Custody Agreement or Voluntary Child Placement Agreement, and Title IV-E-FC eligible must:

(1) Within 180 days of placement, have a judicial finding by court order to the effect that such placement is in the best interests of the child. A finding of reasonable efforts is not required. The judicial determination requirement may be met without a court hearing, i.e. letter to the court which results in a court order; or otherwise

(2) Be closed if the court has not made a judicial finding within the first 180 days of the voluntary placement. The effective date of closure is the 181st day. Title IV-E-FC eligibility cannot be continued or reopened during the duration of the child's placement if this time line is not met.

(A) Remaining in the home would be "contrary to the welfare" of the child; and

(b) Within 60 days of placement there is a judicial finding to the effect that:

(A) "Reasonable efforts" have been made to prevent or eliminate the need for removal from the home.

REVIEWING ELIGIBILITY

413-100-0270 (1) Once Title IV-E eligibility is established, the agency shall determine for each month a child is in care whether the child's cost of care was reimbursable under Title IV-E. A child may lose and regain reimbursability on a frequent basis. The loss of reimbursability in any one month does not permanently deprive the child of reimbursability in future months. For all Title IV-E cases, except relative foster care cases, redeterminations shall occur at least every year to establish whether the

reimbursability criteria are met on a month-to-month basis. For relative foster care cases the redeterminations will occur at least every six months. Circumstances defining reimbursability for Title IV-E purposes are:

- (a) Resources;
- (b) Income;
- (c) Age;
- (d) Parental Deprivation.

(e) Reasonable Efforts Finding at Permanency Hearing

(2) The child will be found temporarily unreimbursable for Title IV-E when the child's:

(a) Resources exceed \$10,000.00 in any month;

(b) Countable earned and unearned income exceeds the cost of the substitute care maintenance payment;

(c) Placement is in a foster home awaiting certification.

(d) Permanency Hearing results in a Negative Reasonable Efforts Finding on the Court Order.

RESOURCES AND INCOME AT REVIEW

413-100-0272 The following factors must be reviewed in determining a child's continued eligibility for Title VI-E.FC:

(1) The child's resources must not exceed \$10,000.00 in any month or he/she will be found temporarily unreimbursable for Title IV-E-FC; and

(2) The child's countable earned (per OAR 413-100-0180) and unearned (per OAR 413-100-0190) income, including lump sum benefits (per OAR 413-100-0200) must not exceed the cost of the substitute care maintenance payment or he/she will be found temporarily unreimbursable for Title IV-E-FC.

(1) The end of the month in which the 18-year-old youth graduated or obtained a GED; or

JUDICIAL FINDING OF REASONABLE EFFORTS AT REVIEW

413-100-0276 (1) Timeline for Judicial Finding of Reasonable Efforts to Finalize a Permanency Plan. Within twelve months of the date the child is considered to have entered foster care and every twelve months thereafter a judicial finding is required that reasonable efforts have been made to finalize the permanency plan whether the plan is to return safely to the family or another permanency plan.

(a) If a judicial finding regarding reasonable efforts to finalize a permanency plan is not made within the time frames outlines in (1) above, the child becomes temporarily ineligible under Title IV-E from the end of the twelfth month following the date the child entered foster care. The child's Title IV-E eligibility remains temporarily unreimbursable until the first of the month in which such a finding is made.

(b) For subsequent hearings the child becomes ineligible the end of the month in which the twelve month hearing was due when the hearing is not held on time or the end of the month a hearing is held which results in a "no Reasonable Efforts" finding whichever is earlier. The child's Title IV-E eligibility remains temporarily unreimbursable until the first of the month in which such a finding is made.

PARENTAL DEPRIVATION AT REVIEW

413-100-0290 (1) Existing Deprivation. To maintain Title IV-E reimbursability the child must be considered to be continually deprived of the parental support and care of one or both parents as if they were back in the home from which they were removed. However the deprivation need not be the same as at the time of the original application. Deprivation will be:

(a) Divorce, marital separation, incarceration, never having been married, or death in single parent households, or absent parents for children removed from a relative home;

(b) Unemployment or incapacity in two-parent households. Because the parents' wages and/or benefits are disregarded at review, reimbursability may continue when:

(A) Both parents are unemployed or incapacitated; or

(B) Both parents are unemployed or each parent is working less than 100 hours per month, or either parent has a temporary one-month increase to over 100 hours, but:

(i) Worked less than 100 hours in each of the two previous months; and

(ii) Is expected to work less than 100 hours in the upcoming month.

(C) One parent is incapacitated and the other is employed.

(c) Continued absence when:

(A) A child is removed from the home of a relative other than the parent; or

(B) Parental rights of the parent(s) from whom removal was based

are terminated or relinquished. The status of the parents does not have to be verified after termination or relinquishment. (See OAR 413-100-0280.)

(2) Deprivation Not Existing: Children do not meet the deprivation requirement and reimbursability does not exist when:

(a) The parent remarries, if removal was based on that parent, and deprivation based on incapacity or unemployment does not exist in the two parent household; or

(b) The parent reconciles with the parent of the child in care and deprivation based on incapacity or unemployment does not exist in the two parent household; or

(c) Both parents return to reside in the home of the specified relative from whom the child was removed, or on whom eligibility was based; or

(d) The child returns to the home of a specified relative from whom the child was removed, and on whom eligibility was based; or

(e) A parent visits extensively in the relative foster home. Parental visits in the child's home and that of the relative may not exceed four times per week, or a total of 12 hours per week without a visitation plan outlined or reasonable explanation documented in the case and eligibility file.

MINOR MOTHERS AND CHILDREN

413-100-0350 Children in the care and custody of the agency and not removed from their minor mothers in a foster care placement are not deprived of their parent. They do not meet the removal requirement for Title IV-E-FC eligibility. The child's parent must be absent from the foster home before Title IV-E-FC can be considered.
