**REPEAL:**

These Title XIX and GA Medical Eligibility rules are being revised to reflect the changes in Department and/or agency names due to the legislative approval of the integration of all Human Resource agencies. These rules are also being revised to clarify the process of referring relative providers to Self Sufficiency in order to ensure a child placed in the care and custody of Child Welfare (and placed with said relative) receives the necessary Medicaid coverage. These rules also include clarification on

the appropriate use of Medicaid coverage for newborn children placed in the care and custody of Child Welfare.
