**Message:** A new OHP report has been added to ViewDirect. The new WCM2140X-A “List of OHP Redeterminations Coming Due” will be available monthly. It lists by branch and worker all OHP reapplications mailed to CAF SS OHP clients because their OHP certification is due to expire. The report also lists the OHP case descriptors (OPC, OP6, OPP, OPU, CHP) being used on each case.

Future versions of the report will list a branch total of applications mailed.

If you have any questions about the report or the CAF SS OHP reapplication mailing process, please call the DHS Help Desk at 503 945-5623.
