Message:

The Department of Human Services has scheduled 17 community training sessions on the Medicare Modernization Act (MMA). The training is for local and county staff, providers, and volunteers who work with seniors, people with physical disabilities, people with developmental disabilities (DD) and people with mental health (MH) illness. Training covers the following topics:

- Overview of MMA.
- The effects of MMA on dual Medicare/Medicaid clients.
- Breakout discussion sessions for local staff, providers, and volunteers to discuss the effects of MMA on the clients they serve (seniors, physical disabilities, developmental disabilities, and mental health).

Attached to the email is a flyer about this training and a registration form that lists the trainings with registration instructions. Advance registration is required.

Please forward this information to providers in your area. This training is not open to the general public.
