Message: On July 24, the federal minimum wage increased from \$5.15 to \$5.85 an hour. Some FS policies on students and OFSET exemptions are tied to work hours or the equivalent earned income at the federal minimum wage.

Beginning August 1, please use the new amounts when determining eligibility as follows:

- Self-employed students must work at least 20 hours a week and earn a minimum of \$1,006.20 SEC or \$503.10 SEN monthly to meet student criteria.
- Full-time work for an OFSET exemption (30 hrs/week at the federal minimum wage) equals \$754.65 a month. This is approximately 22.5 hrs/week at the Oregon minimum wage of \$7.80.

Apply these figures, when appropriate, to new certs, recerts and when income changes are reported. Policy and examples in FS D will be revised effective October 1 to reflect the new amounts.
