Message:

An automated FSMIS action effective June 1 changed all SEU HH Type codes to SFG. This is a new code used for a Separate Filling Group (SFG). It has replaced the old Separate Economic Unit (SEU) code. SEU terminology has not been used in policy or rule since February 1, 1990.

Cases that previously were coded with SEU had the code changed to SFG. The SEU code has been disabled.

The new SFG code will be added to the help window by next week.
