The SNAP No Interview demonstration project started on September 1, 2012. Click [here](#) to link to a document with some questions that have been submitted during staff trainings, and since the implementation of the project. This will be posted on the SNAP Web page, and will be updated once a month as necessary during the project.

Pilot and control offices should be using an Excel spreadsheet to track data for the project, unless they were part of the original pilot for the Siebel intake data log. A sample log was sent out on August 31, 2012. At this time it is not necessary to get your staff access to the Siebel intake log. For any questions about the data collection please contact Dawn Myers 503-945-7018 or by email at [dawn.myers@state.or.us](mailto:dawn.myers@state.or.us)

Do not forget there are weekly conference calls being held answer staff questions about the project. The calls take place every Wednesday from 10:00 – 11:00 a.m. Here is the call-in information:
