Discussion/Interpretation: The Oregon Administrative Rule regarding treatment of TANF-PLS (JOBS PLUS) clients earned income has been revised to exclude the earned income when determining MAA and REFM initial and ongoing medical eligibility.

Implementation/Transition Instructions: When placing TANF clients on a JOBS PLUS worksite refer to OAR [461-145-0130](#) to ensure appropriate medical benefits are given to the clients in the TANF-PLS benefit group. When a worksite agreement ends and income is received after the site end-date, refer to OAR [461-145-0130](#) to determine how this income is treated for eligibility for all programs.

Training/Communication Plan: Training Unit will be made aware of this policy change to ensure training materials updated to reflect this change in policy.

Local/Branch Action Required: Apply the above policy as clients enter a TANF-PLS work agreement.

Central Office Action Required: Send policy transmittal and update administrative rule online.

Field/Stakeholder review: Yes No
