**INFORMATION MEMORANDUM**

SDSD-IM-00-56

Date: May 23, 2000

**TO:** SDSD District and Unit Managers  
Area Agency on Aging Directors

**SUBJECT:** Adult Protective Services Conference

**INFORMATION:** Back by popular demand is our annual Adult Protective Services conference. The title of our fifth statewide conference is, "The Criminal Neglect of Vulnerable Adults". Please distribute the attached conference brochures.

This conference is designed for multidisciplinary teamwork. Thus, we are asking that you actively recruit members of the following disciplines to attend along with you: Law Enforcement, DA's and Deputy DA's, Mental Health/DD, Domestic Violence, Victims Assistance, Probation/Parole, and first responders such as EMT's. Although we will send registration forms to these groups, it is probable that all staff will not see them; thus, your personal outreach to these folks would be most appreciated. If you already have a local MDT, please try to attend this conference as a group.

SDSD staff should not send in money with their registration forms because their registration fees will be covered by SDSD Central Office. However, they still need to send in their registration forms and business cards and make their own hotel reservations. If funding is a problem for the employees of other agencies as mentioned above, please refer them to the local Area Agency on Aging to request scholarships as has been done in previous years. The goal of the conference is to provide information to enhance your ability to respond to situations of neglect. We will be providing both lecture-style information and hands-on practice opportunities.

We look forward to seeing you there!
