The Oregon Department of Human Service, Seniors and People with Disabilities, in conjunction with Oregon Public Broadcasting (OPB), Providence Health System and the NW Health Foundation is pleased to present "The Way Home: Finding Your Place in the Golden Years." This one-hour documentary about long-term care and housing options for the elderly will be aired on Tuesday, November 27, at 9 p.m, on OPB.

This show will examine several important issues facing the elderly including housing and long-term care choices, transportation options and the legal and financial questions that confront aging Oregonians. Additionally, medical issues ranging from diabetes, osteoporosis, arthritis, and Alzheimer's will be highlighted. This production is an important tool in our work to educate Oregonians about the myriad of options and issues they, or their family will face in the future.
