Message: Although the Drug Discount Card counseling is not the responsibility of the Area Agency on Aging staff or the Seniors and People with Disabilities offices, Medicare beneficiaries are asking questions. A training is scheduled at the request of the AAA Director's. On Monday, June 7, from 1:30-3:00 p.m. a presentation, via teleconference call, will provide further information about the Medicare Prescription Drug cards. James Toews and Dr. Tina Kitchin will provide an overview and a representative from State Health Insurance...(SHIBA) will provide updated information on the topic. This call is being scheduled as a toll free meet-me conference call. The number is: 1-888-285-4585, the participant number is 831632. Efforts to conserve phone ports by having staff use a conference room will be greatly appreciated. Materials for the conference call will be distributed the week of June 1, 2004.
