**Message:** Attached is a series of trainings available from the state that help personal agents understand their role in medical decision making and gives them tools to assist in their daily interaction with individuals with developmental disabilities. This training was given in Salem and then discussed with the Brokerage Directors. In response to requests from the Directors, this training is being offered regionally this fall. It is not anticipated that it will be offered again this year so personal agents are encouraged to attend.

Trainings in southern Oregon and central Oregon are still being arranged and will be announced soon.

For all registration and questions about the trainings, please contact Vickie Predmore at 503-945-5832, fax 503-378-8966 or email at [Vickie.K.Predmore@state.or.us](mailto:Vickie.K.Predmore@state.or.us)
