**Message:**

A new web site to assist case managers of Older Adults and People with Physical Disabilities is now available as a resource and reference guide. The site is dedicated to service related information. It can be found at:

<http://www.dhs.state.or.us/spd/tools/cm/index.htm>

The new web site has links to service related rules, programs, resources and contacts. More information on service related topics will be added in the next few months. The site will be updated on a regular basis. Additional suggestions on information to post are welcome.
