**Message:** Effective 9/4/07 (STEL) will be removed from the Mainframe system. STEL was used in the past as an online directory for SPD and AAA employees to identify staff in their respective offices. The technology for STEL is not supported and most offices did not update and maintain the employee list. Lists of employees can be found in other areas, such as the Unit Listing: [SPD/AAA local office listing](#)

A decision was made by the SPD Operations Committee to remove STEL from the system.
