Message: This IM updates information contained in [SPD-IM-10-041](#), regarding Family Support Funding for FY 2010-11, dated 6/2/2010. That IM stated, in part:

4. I&R projects that were approved and initiated for FY2010 and are a continuation of existing projects may be considered for continuation at the start of FY2011. CDDPs must submit a request to SPD for continuing I&R projects using a revised Budget Plan form. Expenditures will be reported quarterly using the revised Budget Plan form.

Given the requirement to reduce spending in SPD by 9% due to the current budget crisis, no I&R projects will be funded in FY 2011, including those that were approved and initiated during FY 2010.
