Message: 'Consider a New Career as an Adult Foster Home Provider' (form DHS 9836) is a recruitment brochure currently available for ordering. This brochure provides basic information and a list of the requirements to become licensed to operate an adult foster home where care and services may be provided to adults who are older or physically disabled.

Each office is encouraged to keep a supply of these brochures available for the public. It is recommended each office add their office contact information via sticker on the bottom back of the brochure as the information currently listed is no longer accurate. This is a temporary measure as the form will be updated once the current inventory has been depleted.
