ODDS Providers |

Message:

Effective July 1, 2013 the Oregon Legislature has approved an increase of 6% to fund the following service elements.

DD 50 Residential Facilities

DD 51 Supported Living Services

DD 53 Transportation Services

DD 58 DD Foster Homes (children)

DD 142 Children's Residential Facilities

DD 143 Children's Proctor Foster Homes

The rates for DD 50, DD 51, DD 58, DD 142 and DD 143 have been updated in the eXPRS and in the CBC system (for DD 58). In some cases eligibility issues resulted in a delay to the processing of the rate increase. These are in the process of being resolved and the rates will be adjusted as each case is completed.

The rate for each of these services with the exception of DD 50 were increased by ODDS staff during the month of August using the following method:

Current rate x 1.06 = new monthly rate for service.

The rate for DD 50 Tier 7 clients, for undocumented clients and for those individuals currently being served in SPD facilities were also increased using the method above. All clients currently in Tiers 1 through 6 were adjusted back to the tier rates in effect in September of 2010.

DD 53 rates are currently in the process of being reviewed and a new rate system will be created. The increase will be added to the new rates.

Effective October 1, 2013 please use the updated DD 50 Tier rate chart attached to this IM.

The new DD 51 tool will be completed and sent in a separate notification prior to October 1, 2013.
