Message: The Long Term Care (LTC) Community Nursing program is seeking interested and qualified, self-employed LTC Community Nursing RN contractors to provide mentorship to new RN contractors, and RN employees of eligible In-Home and Home Health agencies. DHS will now contract with self-employed nurses to do Mentorship Services as a separate service apart from their contract to provide actual nursing services.

If you know of an RN interested in becoming a self-employed LTC Community RN contractor, please refer them to the Oregon Procurement Information Network (ORPIN) for additional information at <http://orpin.oregon.gov/open.dll/welcome> and the "Provider Alert" section of the LTC Community Nursing website at <http://www.oregon.gov/dhs/spwpd/apd-providers/ltc-community-nurses/Pages/index.aspx>
