Message: A Request for Application (RFA) 3694 was released on November 14, 2013 for self employed nurses who want to provide Long Term Care Community Nursing Services. Any nurse interested in this opportunity should check the Oregon Procurement Information Network (ORPIN) for additional information at <http://orpin.oregon.gov/open.dll/welcome>; Refer to Request for Application (RFA) 3694.

Information will also be available in the "Provider Alert" section of the LTC Community Nursing website at <http://www.oregon.gov/dhs/spwpd/apd-providers/ltc-community-nurses/Pages/index.aspx>

- Applications will be accepted from any county in Oregon if the nurse is willing to serve individuals with intellectual or developmental disabilities or a caseload that combines **all** eligible persons.
- If a nurse is not willing or able to provide services for individuals with developmental disabilities then the service areas which are open for this recruitment are limited to the following counties:

Tillamook	Clatsop	Columbia	Morrow
Coos	Curry	Hood River	Malhuer
Wasco	Sherman	Gilliam	Baker
Wheeler	Jefferson	Crook	Wallowa
Grant	Harney	Lake	Union

Community Developmental Disabilities Programs (CDDP) are encouraged to direct any nurses willing to provide Long Term Care Community Nursing Services to the ORPIN site listed above. CDDP management will be expected to assist in the orientation for successful applicants who complete the contracting and provider enrollment process and who plan to provide services to individuals in their county.

Nurses who currently work for Children’s Intensive In-Home Services (CIIS) and who want more referrals might be considered for this recruitment and if interested will need to apply for a second DHS contract and provider number.

Local DHS and AAA offices in the counties noted above should direct nurses interested in serving Aged or Persons with Disabilities to the ORPIN website.

During this procurement process nurses can be directed to the following resources:
