Message:

There are fundamental changes in client eligibility driven by the Affordable Care Act. APD is attempting to keep field staff up to date on eligibility and coding issues and processes as they evolve. Changes will likely occur at a fast pace for the next few months as issues arise. The best way to keep everyone updated is with FAQs posted to the Staff Tools Page. We encourage all field staff to check the FAQs frequently. The first FAQ of the new year was posted today to answer already posed questions and to anticipate others.
