Message:

At the request of the Service Employees International Union (SEIU), DHS has ceased collecting agency fees, also known as fair share payments, from Homecare Workers and Personal Support Workers (“Providers”) who are non-members. Local staff and management may receive inquiries from Providers about this change or questions about membership. Staff should not advise nor attempt to advise these Providers on issues of dues or union membership. If inquiries are received from Providers, staff must refer them directly to SEIU’s Member Resource Center at 1-877-451-0002.

Important note: This request was made by SEIU on behalf of only the Homecare Workers, Personal Support Workers and Child Care Providers for whom they represent.
