Message: APD has developed new coding which will allow case managers to create Service only (OSV) cases for consumers whose underlying Medicaid eligibility is based on a Modified Adjusted Gross Income (MAGI) Medicaid program. This new coding scheme will allow APD/AAA staff to administer the service portion of an individual's case, while OHA administers the Medicaid portion.

To assist in learning this new coding, a Netlink was presented on 11-10-14. At that session, it was decided that additional Netlinks would be useful to staff. Because of this, the following Netlink presentations are now available through the [DHS/OHA Learning Center](#) website, course # C04480:

- 12-04-2014 8:30 – 10:30
- 12-09-2014 1:00 – 3:00
- 12-11-2014 8:30 – 10:30

This Netlink is for all APD/AAA staff that code or case manage MAGI eligible individuals receiving services. Due to limited registration slots and Netlink session availability, this training is restricted to APD/AAA staff.
