Message: APD has developed new coding which will allow case managers to create Service Only (OSV) cases for individuals whose underlying medical eligibility is based on a Modified Adjusted Gross Income (MAGI) Medicaid program. This new coding will allow APD/AAA staff to administer the service portion of an individual's case, while OHA administers the medical portion.

To assist in learning this new coding, three netlink presentations are being offered, as follows:

- Tuesday, April 28 - 1:00 - 3:00
- Wednesday, April 29 - 1:00 - 3:00
- Thursday, April 30 - 9:00 - 11:00

Please register for this netlink through the DHS/OHA Learning Center web site, course # C04480. Due to scheduled maintenance work on the Learning Center website, staff should register by noon on Thursday, April 23rd. The Learning Center will be unavailable from April 24 - April 27.

This netlink is for all APD/AAA staff who code or case manage MAGI eligible individuals receiving services. Due to limited registration slots and Netlink session availability, this training is restricted to APD/AAA staff.
