Message: APD has developed new coding which will allow case managers to create Service Only (OSV) cases for individuals whose underlying Medicaid eligibility is based on a Modified Adjusted Gross Income (MAGI) Medicaid program. This new coding will allow APD/AAA staff to administer the service portion of an individual's case, while OHA administers the medical portion.

To assist in learning this new coding, APD offered 3 training sessions during the week of April 27th. A 4th session is scheduled for Wednesday, May 6th - 1:00 - 3:00 pm.

We continue to have a waiting list for this training. As a result, we are offering two additional sessions, as follows:

Wednesday, May 20th - 1:00 - 3:00 pm

Thursday, May 21st - 9:00 - 11:00 am

Please register for this Netlink through the DHS/OHA Learning Center web site, course # C04480.

This Netlink is for all APD/AAA staff who code or case manage MAGI eligible individuals receiving services. Due to limited registration slots and Netlink session availability, this training is restricted to APD/AAA staff.
