Message: As the Legislatively Approved Budget is still in development, and as FY2015-16 is rapidly approaching, ODDS is taking the following action regarding funding for Family Support (DD150). CDDPs will be allocated funding for the first quarter (July through September) based on current funding levels. Funds will be released on a monthly basis.

Should funding for Family Support be discontinued in the coming biennium, the funding for Family Support will be discontinued at that point, and ODDS will need to make adjustments to the budget accordingly. (Funds will not be withdrawn for any months that have already begun.) CDDPs should communicate to families that services are authorized on a month-by-month basis during this transitional time.

Once the budget is finalized, allocations for the coming year will be established. The first quarter funding will be incorporated into the annual budget.

We are hopeful that funding for Family Support will continue into the 2015-2017 biennium.
