Message:

The APD Financial Eligibility and Waiver Unit has completed three new Computer-Based Trainings (CBTs), which are now online and available in the [Learning Center](#) for use by staff. The three new CBTs are:

- Employed Persons with Disabilities (OSIPM-EPD) - Five modules (C05136 – C05140)
- OSIPM Eligibility for Individuals with Developmental Disabilities (DD) – Four modules (C05153 – C05156)
- OSIPM Eligibility for Individuals in 24-hour Residential Mental Health (MH) Settings – Four modules (C05148, C05149, C05151, C05152)

These courses are designed to be taken either by individual learners or in a classroom setting with a leadworker or manager leading the session. Managers will need to follow up with staff to determine that classes have been started and completed.

These three online trainings will replace two current classroom trainings:

- APD Employed Persons with Disabilities (OR2023); and
- DD and Mental Health Eligibility for OSIPM/QMB (C01545).

The two sessions of these classes scheduled for October have been canceled. No further classroom trainings on these topics will be scheduled.
