

Definition

Adult Day Services, “means community-based group programs designed to meet the needs of adults with functional or cognitive impairments through individual plans of care that are structured, comprehensive and provide a variety of health, social and related support services in protective settings during part of the day but provide less than 24-hour care”.

Statute authority: ORS 410.495 - Services are designed to provide social and some health services to adults who need supervised care in a safe place outside the home during the day

Adult day services

- assist seniors and people with disabilities to remain at home and postpone or avoid nursing home or alternative living arrangements;
- is a care option which is often a cost-effective alternative to other types of care; by providing for example a “stand alone service” or used in conjunction with In- Home services.
- provide necessary respite and support to informal caregivers and help to those care giving family members or friends who juggle work with care giving responsibilities by providing services and supervision during working hours.
- provide support to a variety of clients ranging from individuals with cognitive disorders or a dementia to those with physical disabilities due to a chronic illness, or an event such as a stroke, or accident;
- provide specialized programs for particular groups of individuals such as adults with traumatic brain injuries, a dementia, physical disability or individuals with a developmental disabilities. Some programs provide rehabilitative services including physical, occupational, and speech therapy;
- provide or assist in arranging transportation to and from the program;
- provide social activity
 - provide a nutritional meal and snacks;
- Some programs provide nursing services such as medication administration, and health assessments;
 - provide personal care;

Adult Day Services: Eligibility, Authorization and Payments

Eligibility for people living in their own home

Adult Day Services (ADS) is a “K state plan” service and considered part of the community-based services. Adult Day Services may be a stand-alone service or used in conjunction with In-Home services.

For Medicaid eligible participants who live at home, Adult Day Services (ADS)

- can be the only services in the individual’s service plan;
- may be considered as part of an in-home plan

Eligibility for people living in an alternative care setting

Adult foster home residents are eligible for adult day services when criteria set forth in Policy Transmittal 05-013 are met.

<http://www.dhs.state.or.us/policy/spd/transmit/pt/2005/pt05013.pdf>

For Medicaid eligible participants who live in a foster home, Adult Day Services (ADS):

- may be appropriate if criteria in policy transmittal 05-013 is met,
- may be available for attendance up to three days per week
- are approved through the exceptional payment process.

Nursing facility, assisted living facility or residential care facility residents are not eligible for Medicaid reimbursed adult day services. Medicaid payment to ADS in addition to a NF, ALF, and RCF would be considered a duplication of payment, prohibited by OAR 411-027-0000(7) (c).

Provider

- Medicaid contracted providers must meet standards in Oregon Admin. Rule to be added to the Department’s registry.
- Non Medicaid DHS contracted providers, registry standards are voluntary: licensing is not required
- licensed facilities, which include licensed residential settings (adult foster home, and nursing facilities) provide day services to private pay individuals
